IN MEMORIAM

THOMAS FAY
May 31, 1946
February 14, 1961

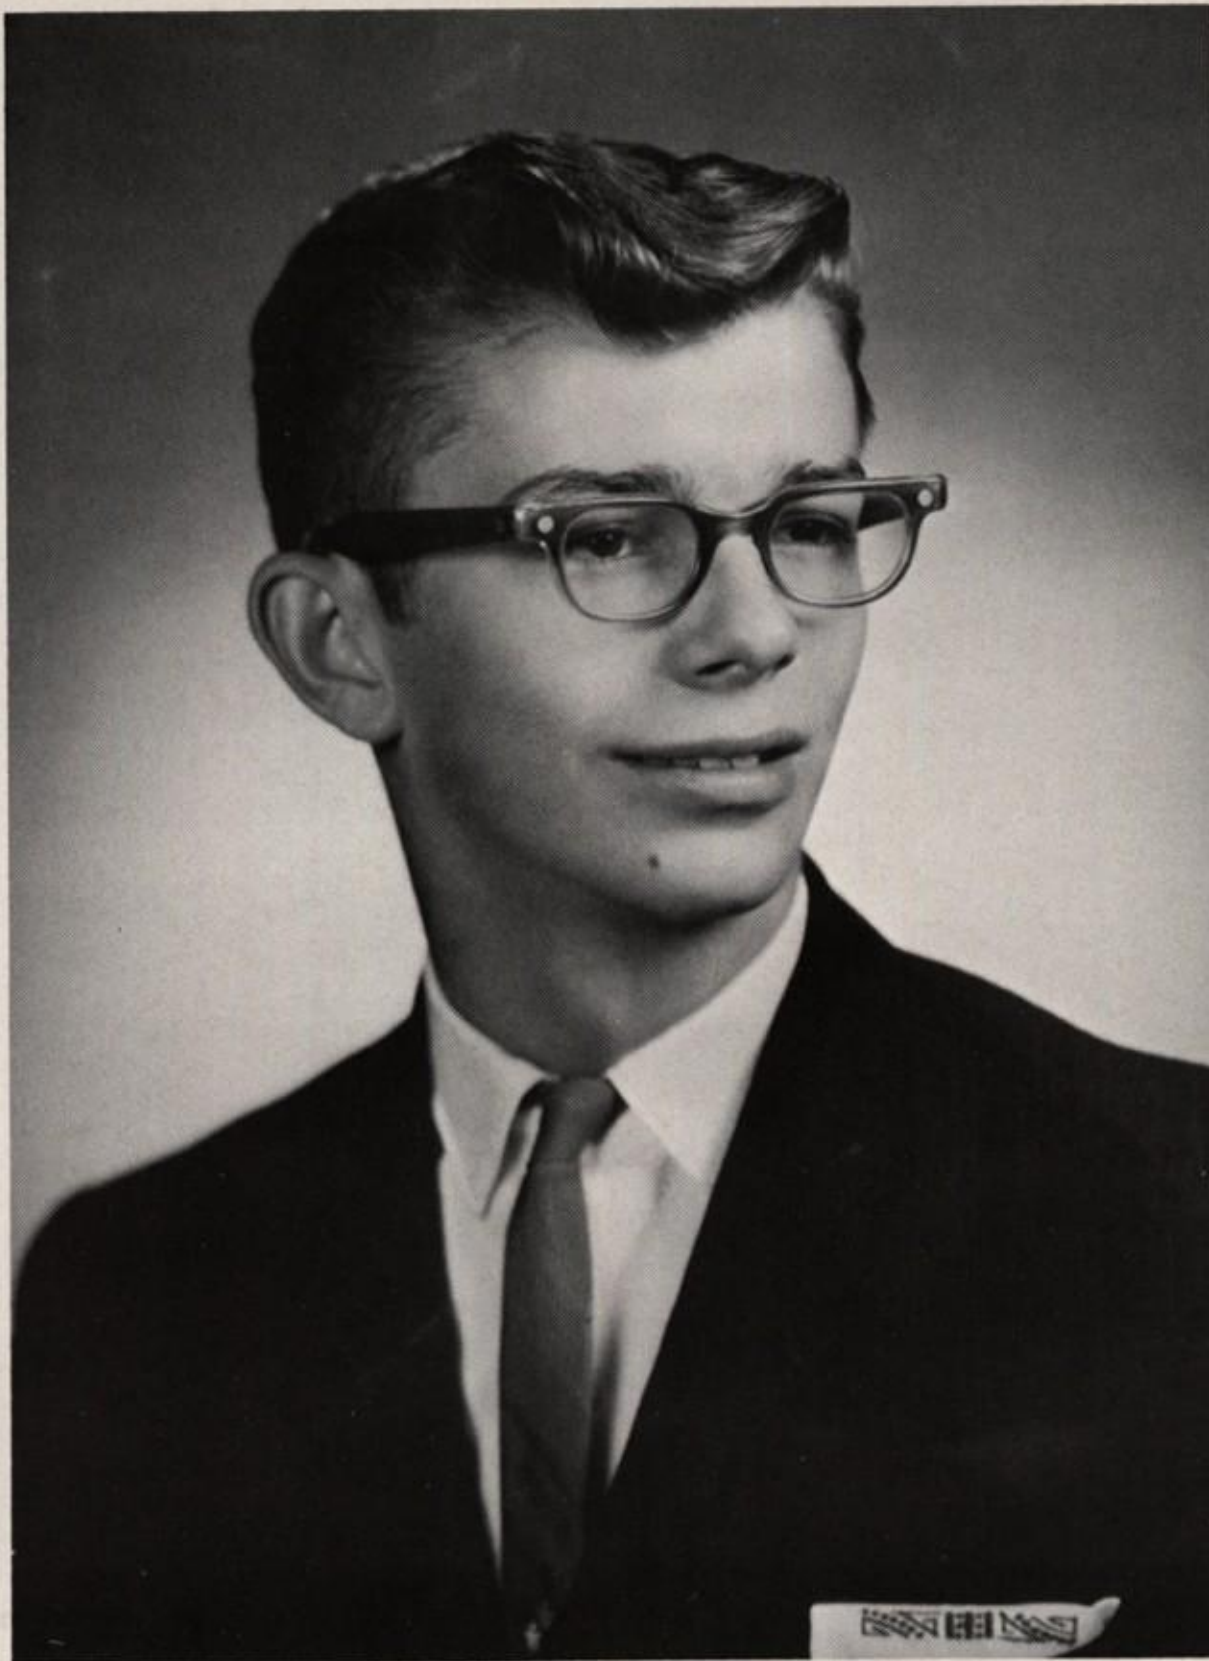

All of the students in Smethport Area High School have many memories, but to those who knew you, Tom, the fondest memories are the years we spent together.

Some of us knew you during grade school years, but the majority met you during the seventh, eighth, and ninth grades. As we look back, those were the best years.

During those years, we remember; the classes we had with you, the football games you played in, your ability to make people laugh, and the intelligence that made you a potential leader, and a promising student.

Nor, will we forget the warm hearted friendliness, that you gave, not just to a few, but to everyone. This wonderful personality that you had won you many friends and much popularity.

Yes, these are some of the memories that we have about you. We miss you, Tom, but wherever we go, whatever we do, our memories of the nicest boy in the class will go with us.

OUR EDITORS MESSAGE

Well, that time of the year has finally come! The school yearbook is here. For many of the students it is a joyful time, but for the seniors, it is a time of mixed emotions.

The underclassmen look forward to next year with anticipation. They ponder over what challenges next year will bring, what prestige they will gain, being a year older, and a year wiser, and how many new friends and memories they will find.

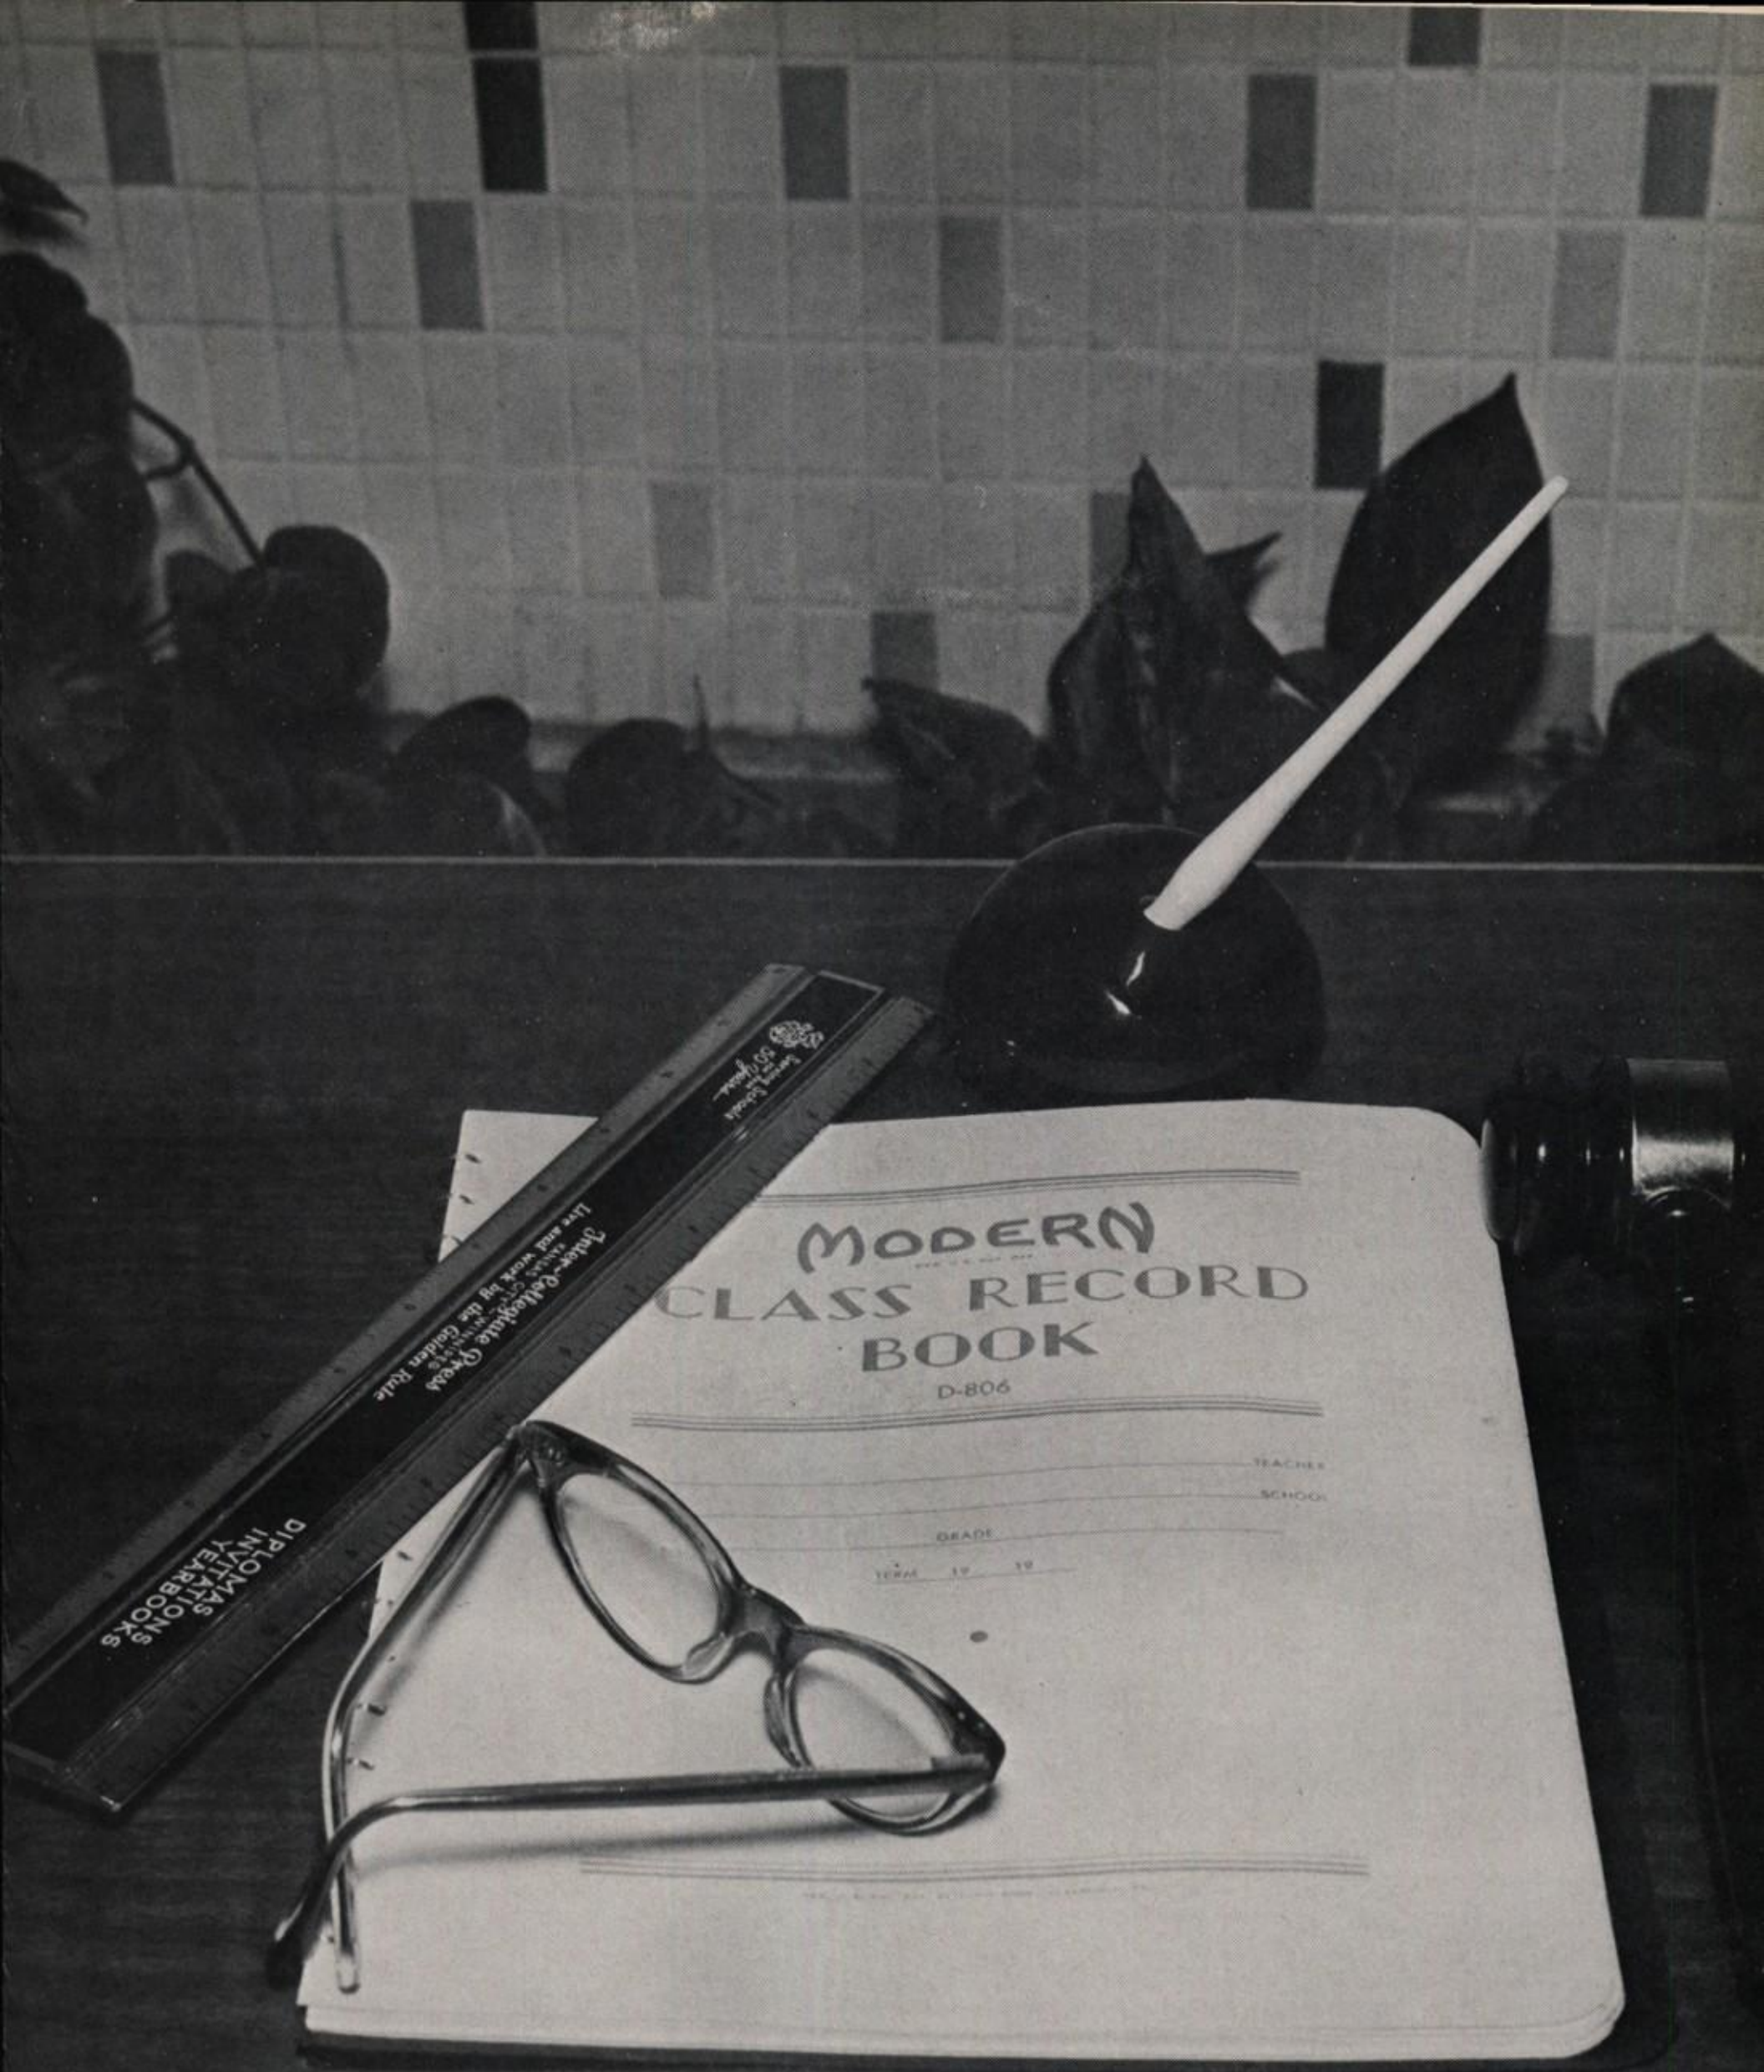

On the other hand, the seniors look to the future with expectation. We will leave high school, and our friends, to embark upon the most important journey of our life, the venture into the harsh world. During the next few years we will find many problems facing us. We will be able to cope with these problems, and meet the challenges with intelligence and determination. I believe, that through the combined efforts of our faculty and administration, we will be able to succeed in life.

During our years in high school our faculty and administration worked in unison to sculpture our minds into those of the scholars of tomorrow. I believe that because of their untiring devotion to education, we owe them a vote of thanks.

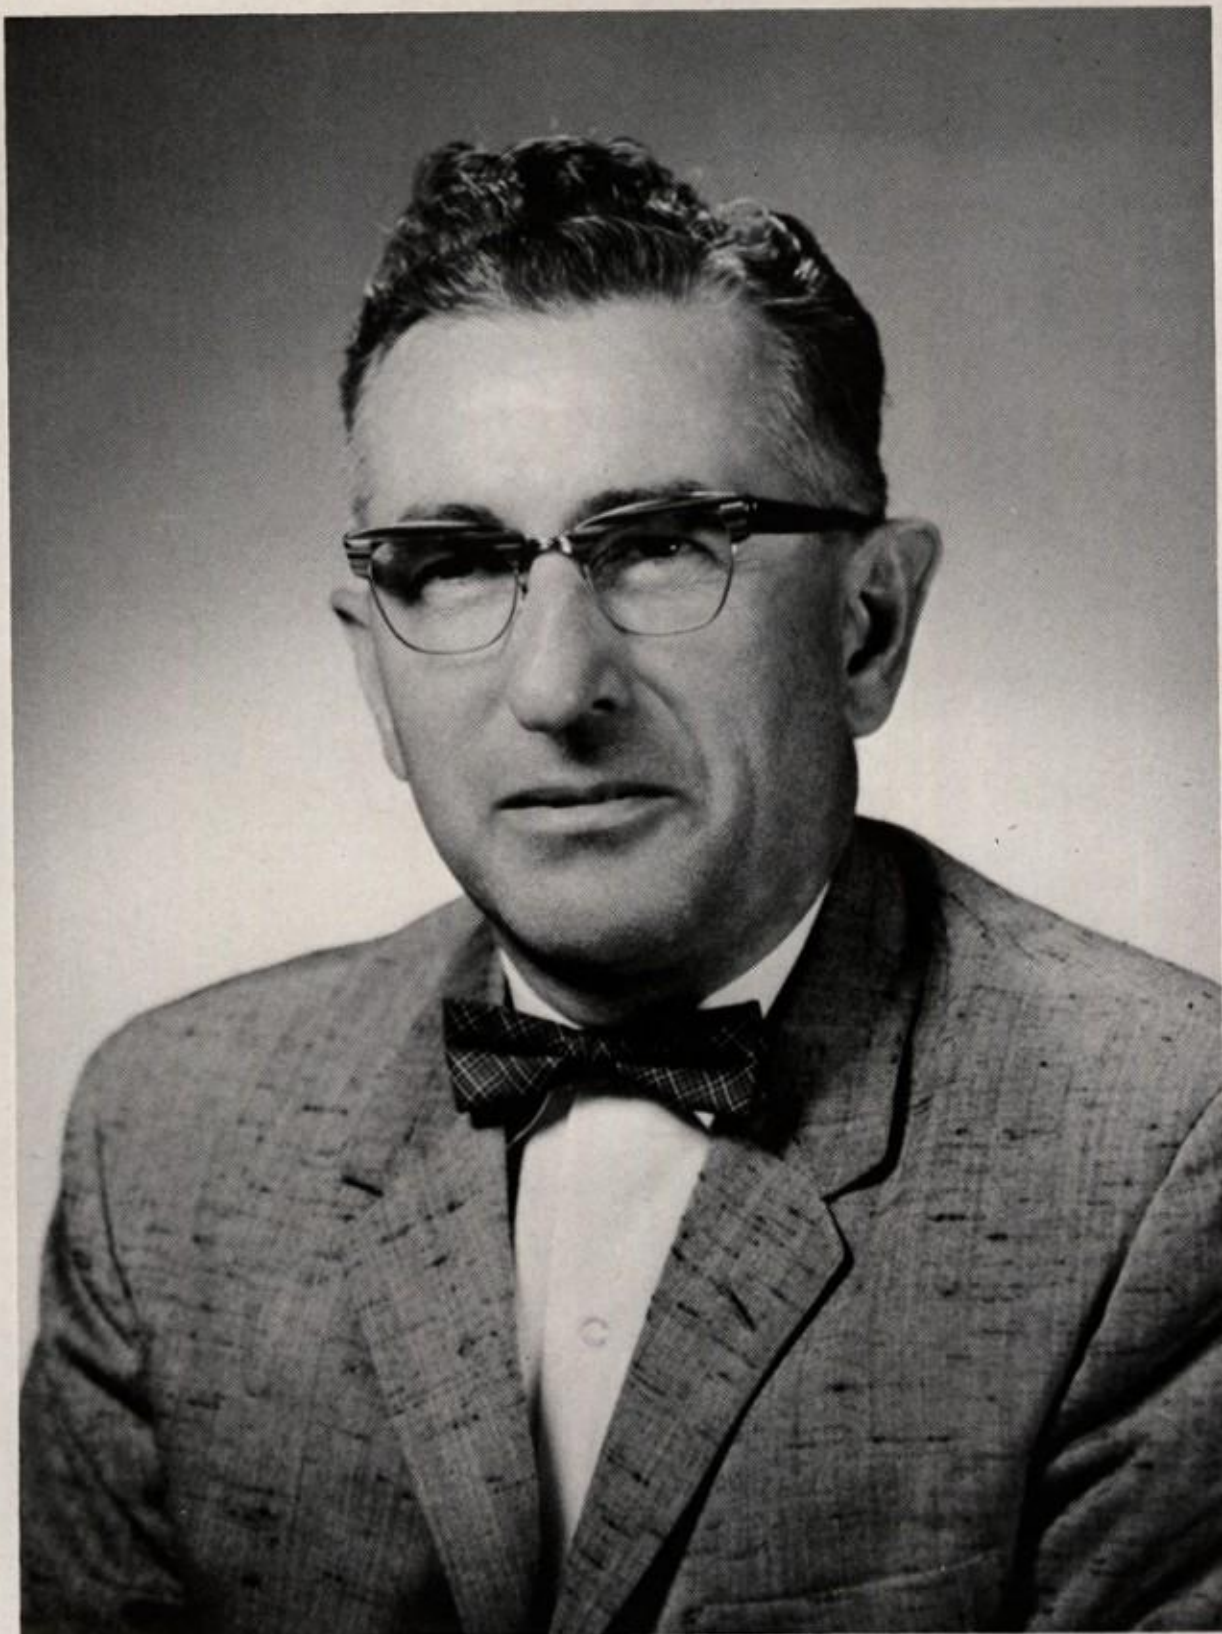

But, we seniors are not the only ones that have memories. Every student in the high school has memories of those joyful years he has spent there. We, of the Nunundah Staff, believe that this edition of our yearbook will bring back many memories, not just at the present, but in future years as well.

I sincerely hope you enjoy this book and will cherish it as one of your most precious belongings.

My very best wishes for success,
James Schnepf—Editor

ADMINISTRATION

SUPERVISING PRINCIPAL

Mr. Hugh N. Lunn

Publication of the Nunundah is a symbolic reminder that one more school year has about run its course. This edition with its clear, distinct photography and excellent layout is far removed from the early post-war editions. It certainly is a reward for the efforts expended by members of this senior class and their yearbook advisor, Mrs. Lombard.

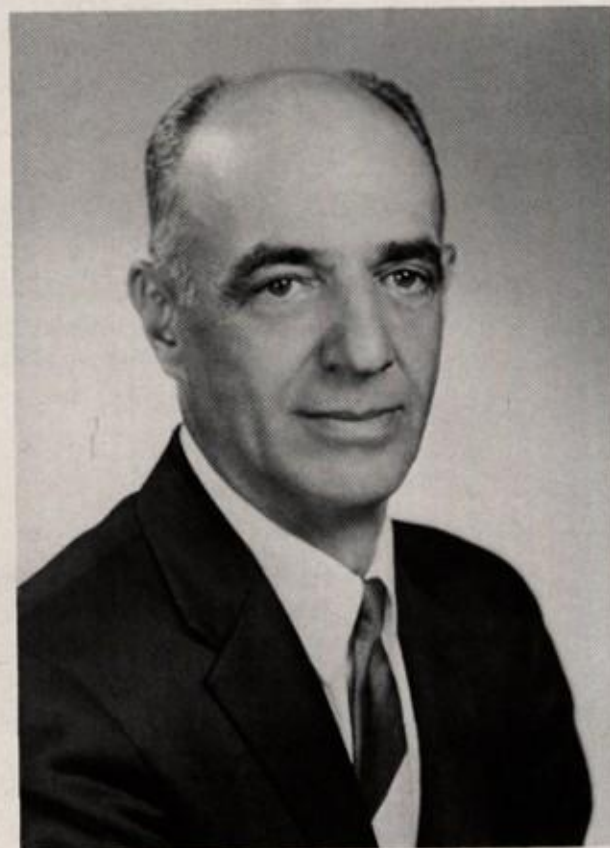

We might say that the beauty of this book illustrates the degree of technological development which has greatly improved the yearbook processes in recent years.

These new and complicated processes are examples of our present electronic age. They typify the great advancements made in many of the functions which affect our daily living.

Education is and always will be the door through which we learn to adapt ourselves to rapid and sometimes radical changes. The skills acquired today may be outmoded tomorrow. We must be capable of learning and adjusting to new ideas, situations, and vocations.

The late President Kennedy has recently stated that our educational system today is neither adequately adjusted nor adequately financed to meet present day needs, and thus fails to provide full educational opportunities for all citizens.

Mr. Fred Zampogna, Supervising Principal of Elementary Education

PRINCIPAL

Dear Graduates,

Please accept my sincere congratulations upon your successful completion of high school. For you the first part of your education is over. I hope you realize that your complete education is never over. You will continue to learn as long as you live.

Your teachers for the past twelve years have tried to give you the solid educational foundation that is needed to meet the challenge of today's complicated world. It is now up to you to build upon this foundation. You will be limited only by your own personal ambitions and desires.

I offer you my best wishes in the years that lie ahead. May they be successful and satisfying for each one of you.

Sincerely yours,
Joseph Papania

First Row: Joseph Allen, co-president; Ann Squires, secretary; Nancy Cimbale, co-president. Second Row: Patrick Chamberlain, treasurer; Dennis Maynard, co-president.

In 7th grade, we little kids
Thought we were really tops,
We walked around with heads held high
And little chests puffed out.

In 8th grade was our two-day trip
To Harrisburg, Pa.
We saw the sights and battlefields,
And had a wonderful stay.

To the old school we said good-bye
As we ended our freshman year,
Oh, how the memories we recall
Are yet so clear and dear.

As sophomores, we entered our new school
Our future bright and jolly.
We held our Sadie Hawkins Dance
And none were melancholy.

Our class rings came our Junior year,

It meant we joined the ranks
We were upper-classmen now
But still pulled childish pranks.

Our Prom is one we'll ne're forget,
To us it was the best,
We danced and danced all through the night
And didn't stop to rest.

Our senior year has been the greatest,
We've had some real grand times,
But soon the tears will come
As we leave Smethport Area High.

So now we're out
We're on our own,
Success is at our hands.
It's up to us to use our heads
And do the best we can.

SEVENTH GRADE OFFICERS

Robert Clark, John Thomas, Sandra Freer, Mary Griffin

We members of the Class of '69—the largest and the youngest in our school—have found adjusting to schedules, hall permits, changing classes, study halls, and many new teachers and classmates quite a challenge. We have made a fine beginning and promise to be a class SAHS will be glad to own. We proved our ability to get together and support a worthy project at Homecoming. Our float, "Building the Shawmut" was a prize-winner.

Roger Nick and Barbara Smith represent us on Student Council. Our officers are: President, Robert Clark; Vice-President, John Thomas; Secretary, Sandra Freer; Treasurer, Mary Griffin. We predict good things for the Class of '69!

Needless to say, all of Smethport is exceedingly proud of our gridiron greats, who, after a slow start came charging back to finish with an impressive overall 8-2 record. The most talked about game of the year took place on October 18, when the Port Allegany Gators met their downfall at the hands of the Smethport Hubbers. This trouncing 34-7 victory gave Smethport a clean sweep of the "Little Four."

The Hubbers entered the decisive Emporium game the proud possessors of a 6-2 record and left the field as the undisputed champions of the Allegany Mountain League.

We would like to thank the coaches, James Donovan, Neil

Bailey, Clarence Strabel, and Henry Reap for handling their tough coaching job with ease.

Also, the senior lettermen: Al Baker, Joe Cory, Dan Ferman, Pat Foley, Butch Isadore, George Keller, Denny Maynard, John Norman, Bud Osborne, and Rod Rishel, all deserve a vote of thanks. But, we are especially proud of our two most valuable players of the year, Rod Rishel and Bill Grega.

Congratulations, Hubbers, on a very successful season, the victories of which would have been impossible without the teamwork, and capable coaching that turned the Hubbers into a championship team.

Grega hands off to Rishel while the rest of the team block.

Figure this one out?

Isadore carries this time.

Norman's desperation dive.

Rod goes for more.

Our Hubbers in action.

And away we go!

It takes two to tango!

Look at him go!

Cha! Cha! Cha! ?

Is this our quarterback sneak?

WHAT IS A CHEERLEADER?

A Cheerleader is a bundle of dynamite, clothed in a pleated skirt and bulky sweater, with letter attached.

A Cheerleader may be blonde, brunette or red head, but must have the personality of Miss America and the constitution of King Kong.

A Cheerleader practices hard, makes good grades, has rhythm, pep, bounce, beat, loyalty to school and team, energy to go on and on, ambition to lead. She shows respect for others, is eager to do any task presented to her and serve as an example of the "All American Girl."

A Cheerleader has on command a voice with the volume of Tarzan calling for Jane and the ability to extract equal volume from all her followers.

She is "Miss Pep," she is "Miss School Spirit," she is the "Pied Piper." Where she leads, her school will follow!

Our Senior band had an active summer
With parades here and there at most any hour.
Our Trip to Gettysburg was really a riot
In 110 heat and getting caught in a shower.

The band has attended all but one game
With its new band director who's on the beam?
We've put on a half-time show each week
To boost the morale of the varsity football team.

Concert band was a great success
The music we played was superb
We all worked hard and did our best
And the music was the best ever heard!

STUDENT COUNCIL

OFFICERS

President Patrick Foley
 Vice President James Eddy
 Secretary James Schnepf
 Treasurer Gwen Guenter

Patrick Foley

Under the able leadership of our advisor, Mrs. Anne Anderson, the Student Council has completed a successful 1963-64 school year.

The Student Council is made up of two girls and two boys from each of the senior, junior, sophomore, and freshmen classes, and one boy and girl from both the 7th and 8th grades, all elected by their classes.

One of the main accomplishments of the council this year was the passing of an amendment to our Constitution, which allows the President of the Special Education Class to serve as a voting member of the Council; thus giving every class in the school voting privileges on the Council.

After attending a Student Council Workshop held at Slippery Rock, Pa., this past August Jim and Pat came back with many new ideas to help make the Council a better, more active working part of the school.

The Council this year has accomplished much good, making it an asset to the school and community.

SCHOOL BANK

Mr. Schell

Pam Stewart, Secretary

The school bank is open on Monday, Wednesday, and Friday Activity Period. During this period the bank handles all deposits or withdrawals for the various classes and activities.

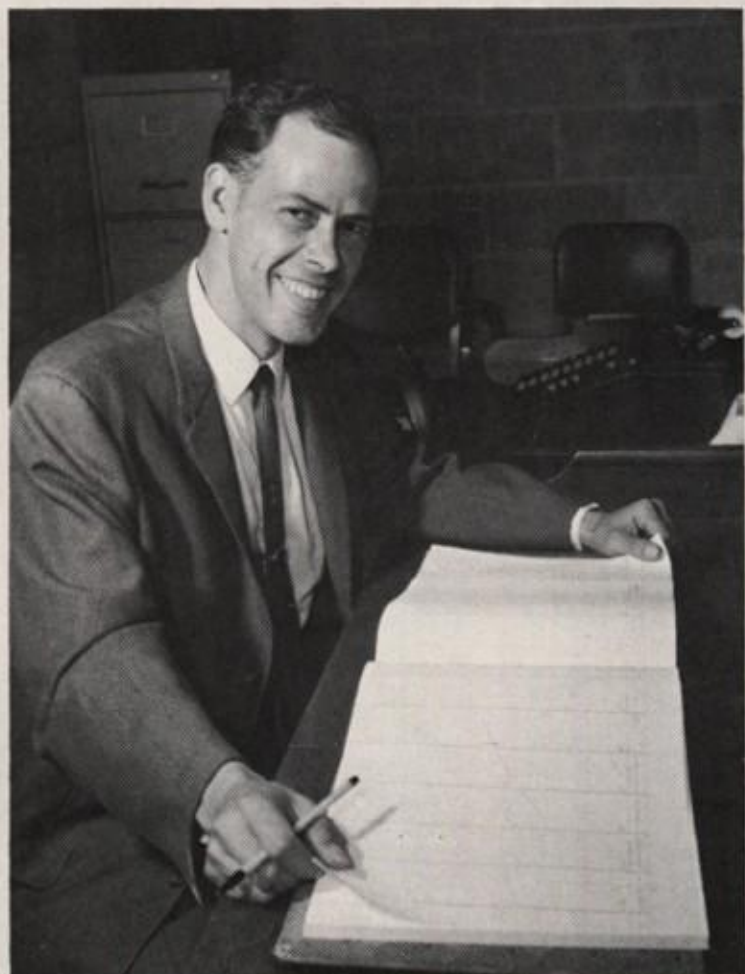

To make a deposit the treasurer must first make a list of the amount of currency, coins, and checks. This deposit will be double-checked by Mr. Schell, Pam Stewart, or Mary Raymond. Then a deposit slip will be made out in triplicate; one for the bank's records, one for the account for which the money was deposited, and one for the treasurers records.

In paying a bill, a requisition must be filled out in duplicate and signed by the advisor for the class or activity. The treasurer keeps one half and the bank keeps the other. The check is then placed in the advisors mail box.

Mr. Schell takes all the deposits to the bank on Friday. It is then deposited into the Smethport Area Joint High School Activities Account.

Lets go back to a typical Nunundah staff meeting in the fall of '63. No one notices our entrance as each seems to be completely absorbed in his own work. In the corner behind a table covered with papers, editors Jim Schnepp and Nan Nourse are anxiously checking progress and prodding laggards into action. Gwen Guenter, copy editor, is frantically calling for more copy. The photography editors, Charlene Sprester and Dolores Johnson are expertly reloading their cameras, preparing to shoot some scenes. Becky Hyde and Joe Allen, our business managers are found chewing pencils while they add up columns of figures and check the records. The division editors (*Faculty*: Nancy Cimal, Valjean Johnson; *Senior*: Dorothy Lunn, Ann Squires, Diana Digel, Marjorie Delaney; *Junior*: Wanda Cochran, Ronald Confer, Robert Cutting, William Wells; *Sophomore*: Eileen Walstrom, Ellen Hetrick, Anne Placer, Robert Nieshe; *Ninth*: Twila Reinard, Joyce Leet; *Eighth*: Frances Rice, Sandra Anderson; *Seventh*: Pam Cook, Jeannette Speedy) dash in and out and to the desk as they

compile information for their sections. David Herzog and Dennis Scanlan, the advertising managers, are in conference with the circulation and distribution committee (Sherry McKeirnan, Donna Ponikvar, David Miller and John Norman) as they dream up new campaigns. Norah Curran, Sandra Galloway, Bryant Robey and Clarence Gregory, our activities editors, are checking with the sports editors, Kathy Cosper and Bill Willardson, on some layouts. The typists, Sally Danielson, Jeanne Taylor, Pam Stewart, Lois Peterson and Phyllis Austin, pluck madly away at all the copy thrown their way. A clamoring crowd in one corner attracts our attention. In the midst of it stands the advisor patiently giving advice to all those who seek it.

Returning to today, we would like to express our sincere thanks to Mrs. Dorothy Lombard for all her immeasurable help. Without her guiding light beamed upon us, we would have been lost in the dark.

Our Picnic

OFFICERS

President James Schnepf
Vice-President Patrick Foley
Treasurer Laura Anderson
Secretary Gwen Guenter

Under the able direction of Mr. Joseph Gates, the Senior High Dramatics Club, though a comparatively young organization, has been highly received by the student body and is steadily growing in membership. This year the club, composed of some 60 members representing the sophomore, junior, and senior classes, produced a one act play, "Of All Things" as an assembly. The members donned English accents for a public production of "Admiral Crichton", a four act play by Sir James Barrie. Various other productions are in the offing.

Members of the club not only learn the fine art of acting, but are also introduced to the mechanics of the theater. With the dues paid by the members, pins are purchased for all members. Any profits made from plays etc. are used to buy equipment and supplies and to pay royalty fees.

The Junior High Dramatic Club is composed of students from the seventh, eighth, and ninth grades. Each member is tested for public speaking. As many as possible are given a part in a play. Seventh graders meet during the regular activity period on Tuesday. The eighth and ninth grades meet on Friday.

The Senior High Science Club is composed of juniors and seniors who are taking chemistry and physics.

Being in the club, the students are able to do experiments which are not covered in the class text books during the year. Learning the procedure of these experiments will broaden the knowledge of the students who are interested in further scientific work.

The students will also have a chance to do make up work and to complete the experiments which were started during their class lab periods.

Another objective of the Science Club is to help the members in the preparation of their Science Fair projects. The additional help they receive on these projects will enable them to compete more successfully with students from other schools.

HARD AT WORK

Kathy

For the first time in the new building a typing club has been organized for Juniors and Seniors who are taking advanced typing or office practice.

The purpose of the club is to offer an opportunity for extra typing practice.

The members of the club made their own Christmas cards, either typewritten or mimeographed. The club also helped to produce the various programs for the school, such as Music affairs and the Senior Play.

The purpose of the Rifle Club is to teach proper gun handling in circumstances related to hunting. Basic information about ammunition and guns, especially as applied to their safe use, is included. Sportsmanship is stressed too, because safe hunting and sportsmanship go hand in hand. There is no intent to teach expert marksmanship. The sole aim of this course is to give the hunter basic information which should enable him to avoid hunting accidents.

With the expert training received in this club the members are bound to be good hunters.

Tri-Hi-Y is a girl's organization whose purpose it is "to create, maintain and extend throughout the home and community, high standards of Christian living." This organization stemmed from the Young Men's Christian Association when it was found that the girls, as well as boys, needed the program the YMCA offers.

Our local club, advised by Mrs. Lombard, consists of thirty-six girls. Each year we send our four newly-elected officers to Grove City College for the Officer's Training Conference. We will this year send two girls who will represent our club in the Mock United Nations, which is held in Harrisburg. Throughout the year we carry-on money-making projects and service projects such as our visit to the County Home and our contributions to World Service. In these ways, we fulfill our Try-Hi-Y purpose.

OUR PROM

BEFORE

*Our mothers really did their best
To make our Prom complete,
The meal they fixed was excellent
An extra special treat.*

*So now we want to tell them thanks,
And let them know it meant a lot
To have them spend their own free time
On their once called, "Little Tots."*

*The plans for our Prom
Began months before May,
We liked the results
And compliments paid.*

*The fountain added a lot to the scene,
As lights changed the water from yellow to
green.*

*Here you see a well-known couple
Decked out in their very best,
Getting something to eat and drink
And taking a brief refreshing rest.*

AFTER

The band for the Prom
And music were great,
The numbers they played
Were really "A" rate.

Many couples felt the need to rest
As the wonderful evening sped by,
They sat at the ship-shape tables,
With their special gal or guy.

The Prom was over much to soon
Oh, how the time did fly,
We danced and danced till 12 o'clock
And said a sad good-bye.

HOMEcoming

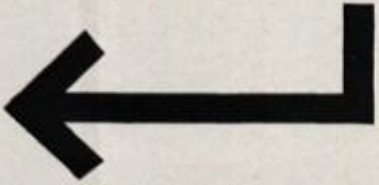

THE FIRST SETTLERS

Upon this senior float you'd find
The dress of days gone by.
We did our best and worked so hard
We wound up with first prize!

Pictured here is our royal pair
An attractive court of four.
Oh how the memories of Homecoming night
Will remain in their minds forever more.

Upon the regal throne sat Butch
A King who was really great.
Both on and off the float
He's a guy, who really rates.

On gowns of rainbow colors
The girls made a colorful court,
All had a rosy happy glow
As everyone did note.

"Her Majesty" The Queen
Looked magnificent in blue
With a warm and friendly smile
And hair of golden hue!

SECOND PRIZE

The Sophomore's float, "The Courthouse Fire"
Was authentic to the end.
As down the street the parade progressed
The Courthouse burned again.

WHEN DAY IS DONE

When day is done and shadows fall
I dream of you.

When day is done, I think of all the joys we knew.
That yearning, returning, to walk in your halls again
Won't go love, I know love without you day has
lost its charms

When day is done and grass is wet with
twilight's dew.

My lonely heart is sinking with the sun.
Although I miss you the whole day through.
I miss you most of all when day is done.
